

Fact Sheet

A Snapshot of St. Joseph Hospital

St. Joseph Hospital is a Catholic nonprofit, full-service, 138 bed health care facility located in Eureka, California. The hospital's scope of services includes cancer, cardiac, a verified Level III trauma center, imaging, maternity and infant care, neurosciences, orthopaedics and more.

St. Joseph Hospital works in partnership with Redwood Memorial Hospital, located in Fortuna and St. Joseph Health hospitals throughout the Region. Our leading edge technology and outstanding medical team ensure Humboldt County residents receive the best care possible close to home.

Continuing a legacy of compassionate service

St. Joseph Hospital is committed to extending its role in the community far beyond the traditional medical model. Since 1920, we've partnered with schools, community groups and national organizations to extend our care beyond our walls and meet the changing needs of all who make their home in Humboldt, including our most vulnerable neighbors.

In Fiscal Year 2017, we reinvested nearly \$7.5 million into our community to care for the poor, low income, uninsured and underinsured.

AWARDS:

- **2017 PRC Excellence in Healthcare Awards:** St. Joseph Hospital's Radiation Oncology and North Coast Surgery Center receives 5 Star Award, ranks in the top 10% for Overall Quality of Care
- **Commission on Cancer of the American College of Surgeons:** Earned a three-year accreditation with commendation for meeting and exceeding standards that are hallmark of an excellent cancer program.
- **Excellence in Lactation Care Services:** The International Board of Lactation Consultant Examiners and International Lactation Consultant Association recognized Star Siegfried, RN, IBCLC, from St. Joseph Hospital for excellence in lactation care.
- **STEMI Receiving Center:** The hospital was recognized for exceeding national standards for the time taken to treat patients for ST Elevation Myocardial infarctions (STEMI) or severe heart attacks.
